

PRODUCT DATA SHEET

Product Name: UltraThin Coaster

Product No.: 11016

Product description:

Exceptionally thin and lightweight coaster with a superb non slip base. Due to the nature of PVC material some distortion with heat can occur particularly if used with plastic vending-machine cups. If you think that this might be an issue, we are pleased to recommend our optional, higher heat resistant polycarbonate material. Please ask for samples and details of additional costs before deciding which coaster is most suitable for you.

Min. Order Qty:	250
Manufactured in:	UK
Express Service Available:	Please contact us if you require an express service
Printed proof lead time:	3 working days (within 24 hours for a PDF proof)
Production lead time:	3-5 days
Material Type:	PVC laminated to a thin non-slip base

Artwork requirements:

Screen Print:

- Editable EPS file
- Image saved at 100% size or larger
- Pantone® references supplied for colours
- Fonts supplied or text saved as curves

Full colour:

- All graphics should be supplied as high-resolution CMYK files at a minimum of 300dpi
